

Southern Ohio District Women's Retreat
September 19th-21st, 2008

How Shall We Pray?

I Thessalonians 5:17

Program leader: Jan King

- **Saturday evening program - The Talent Show with Raymonde returns!**
- **Campfire/Vespers - Oakland Church**

This weekend retreat led by Jan King will help us understand God's desire for an on-going relationship through active prayer. We will examine and practice a variety of creative ways of praying and you'll have opportunity to develop some new prayer forms. Mostly, come "listen" to the ways God speaks to you. Jan Glass King is an ordained minister in the Church of the Brethren and has received training as a spiritual director. She lives in Martinsburg, PA with her husband, Scott, and their two "adopted" pets, Nicki and BoJangles. Jan is entering her 11th year as Congregational Life Team staff for the General Board and served on the district staff for Atlantic Northeast District for 15 years. She considers "prayer" one of her most passionate interests and has made that a focus in her ministry with the elderly.

This program is sponsored by the Southern Ohio Outdoor Ministries of the Church of the Brethren.
Woodland Altars is owned by the Southern Ohio District Church of the Brethren.
